NON-FLAVORED COFFEE

BRAZIL CERRADO

This is a Brazil Cafezinho pulped natural Cerrado. It has an excellent taste, it can be used for espresso or better yet for those who like the big name coffee shops this is for you!!!, brew it the way you normally brew your coffee.

BREAKFAST BLEND

A blend of Dark European roasted and Continental roasted Central and South American beans for full body, good acidity, and well balanced bouquet.

COLOMBIA SUPREMO

Colombian coffee is known for its soft and sweet aroma. The mild acidity and good body make an excellent cup of coffee.

COSTA RICA TARRAZU

From the high elevations of Costa Rica has good acidity, well-balanced body with a nutty cup.

ESPRESSO

A traditional west coast dark roast, this blend of Central and South American beans is roasted to a deep, dark brown. It is excellent for cappuccino.

GUATEMALA ANTIGUA

This high-grown coffee is mild with strong acidity, medium body, and the characteristic winery taste of Guatemalan corner.

HOUSE PREMIUM BLEND

Continental roast of blended Kenya, Sumatra and Central and South American coffee.

PANAMA ESTATE

Hand-picking of only the ripest beans makes this one of the finest coffees to come out of Central America. Famous for its high acidity and medium body taste. Panama coffee continues to be on the top 4 best coffees in the world.

NATURAL DECAF

For those who love coffee, but cannot handle the caffeine
